

## Coming Soon to a Rink Near You...

For some the sport of roller hockey is a way to get your ice hockey fix when the ice is out for the summer at the local rink. For others like myself there is a passion for the game that cannot be explained that easy. There is just a pure energy rush that comes from playing. So much though that when I am taking off my skates at the end of a game or a lesson I am already excited for when I can lace them up again!

When I am not playing and teaching the game of roller hockey I am organizing our next trip to a tourney. And if that was not enough to fill the desire I have for the game, I will look to create a tournament of my own for those of us that love to play. I not only get enjoyment from playing the game but from watching those that play AGS, tournaments or in the CRHL. I have been fortunate to see many a player show that same passion and love for the game and the competition it brings.

Speaking of competition there is no bigger roller hockey tournament to get that from than NARCh (North American Roller Hockey Championships). I had the privilege of playing in '97 in Vancouver and in '06 in Toronto. There is no better roller hockey tournament than NARCh. That is why I am excited to share with you all that next year the NARCh Finals are back in Toronto!

2009 will bring another exciting year for Four Season Sports Roller Hockey as we continue on growing the sport in Brant County and the surrounding area. With that being said there is an opportunity for us to represent the Canning Mudhogs name by taking as many teams as we possibly can. If you are interested in being involved please don't hesitate to talk to me about it either at the rink or drop me an email at [brock@thehogsdens.com](mailto:brock@thehogsdens.com).
